

AdvaMed Compliance App

Now available for
iOS devices
(iPad, iPhone & iPod Touch)

Download the App for free in the iTunes App Store (Preview) - <https://appsto.re/us/Otjl7.i>

Designed as a mobile health care compliance tool and resource, this app is a must have for anyone that works in or with the medtech industry— medical device industry representatives, Health Care Professionals (HCPs) working with medtech companies, and Compliance Professionals. Features Include:

- **CODE NAVIGATOR** - an interactive tool to systematically navigate issues under the AdvaMed Code & email illustrative flow charts;
- **CODE CERTIFYING COMPANIES** - search and explore companies that have submitted certifications to the AdvaMed Code;
- **COMPLIANCE CONTACTS** - Easily identify and access the compliance contacts for companies that have submitted certifications to the AdvaMed Code to discuss questions concerning a certifying company's compliance with the Code;
- **SUNSHINE / OPEN PAYMENTS** - tools and resources to understand and explain issues under the Physician Payments Sunshine Act (also known as, "Open Payments");
- **BENCHMARKING SURVEY TOOL** - participate in compliance benchmarking surveys and see real-time results;
- **GLOBAL COMPLIANCE** -
 - **SMI COMPLIANCE** - Third Party Sales and Marketing Intermediary (SMI) Compliance Guidance, Distributor Training Slides in 8 languages, and a distributor due diligence resource;
 - **DIRECT SPONSORSHIP TOOL** (AdvaMed Members Only) - explore and contribute to this interactive catalog of global laws, guidance, industry codes and medical society codes applicable to the direct sponsorship of HCPs to attend third party educational conferences;
- **MEDTECH INDUSTRY CODES** - from around the globe;
- **CROSSWALKS TO OTHER CODES** - compare the AdvaMed Code to other device industry codes;
- **CODE BROCHURE AND TRAINING SLIDES** - explore and email a summary brochure and training slides on the AdvaMed Code;
- **MOBILE REFERENCE** - Easy scroll, mobile friendly views of the AdvaMed Code and other compliance guidance (e.g., Inventory Management Guidance, or Guiding Principles for Product Communications) and email PDFs from your mobile device; and MORE!
